

Regatta Point Maintenance Tech - Position Available

Location: Both Worcester and Hopkinton

Job Description:

We are seeking a reliable, hands-on individual to join our team as a Maintenance Technician. This is a part-time, year-round position, with more hours available during the summer season and reduced hours in the winter. It is ideal for someone who enjoys working with their hands, solving problems, and being around the water. The Maintenance Technician is responsible for maintaining and repairing boats, facilities, and equipment to ensure safe and efficient operations.

Responsibilities:

- Perform routine boat maintenance and repairs.
- Identify potential repair needs and proactively address issues.
- Assist with small engine repair and fiberglass work (training available).
- Perform general maintenance of buildings, docks, and property.
- Support seasonal setup and breakdown of equipment and facilities.
- Maintain a clean, safe, and organized work environment.

Qualifications:

- Experience working with wood, sanding, and painting.
- Strong problem-solving skills and mechanical aptitude.
- Ability to work independently and manage tasks efficiently.
- Experience with small engines and fiberglass repair preferred.
- Willingness to learn new skills and take on a variety of maintenance tasks.

Physical Demands:

- Ability to lift and carry heavy equipment.
- Ability to stand, walk, and work for extended periods.
- Ability to work outdoors in various weather conditions.
- Must be comfortable working around water and on docks.

Season:

Part-time, year-round. Flexible hours based on seasonal needs.
